### KAZOO-ALMA GAME LAST WEEK WAS POSTPONED

Kazoo Basket Ball Team Missed the Train at Grand Rapids.

The Kalamazoo college-Alma college basketball game, which was to have been Alma's last effort at the 1917 basketball championship of the Michigan intercollegiate, was not played last week Friday night, as the Kalamazoo team missed its train at Grand Rapids and failed to arrive.

A telegram was sent from Grand Rapids, informing the management that the Celery Eaters would be in on the 9:05 p. m. train, but as this would have made the game conflict with the Lyceum course attraction, Alma telegraphed back and stopped the Kalamazoo team. The game was called early to avoid the Lyceum course, and keeping a crowd from 7 o'clock until after the Pere Marquette train got in, and then some before the game could begin, did not appeal to the Alma management. As the train was late it would have been impossible to have started the game before 10:30 p. m., so the decision of the Alma management proved most wise.

Hundreds of Alma fans were greatly disappointed, as the crowd wanted to see the great Kalamazoo team in action, whether or not Alma was to win. Just how Kalamazoo should miss the train in Grand Rapids is not known. Coach Young should have known what time it left Grand Rapids and with cars from Kalamazoo to Grand Rapids every hour, should have been able to leave and make connections.

Alma is asking that Kalamazoo play at Alma this week, and fill her contract for a scheduled game at Alma or possibly Kalamazoo may be asked to forfeit the game, not being on the floor to play at the time the game should have been played. Alma does not want to win games this way however. It is much better sportsmanship to play and lose than to not play and win by the forfeit route. Alma, however, wants Kalamazoo to appear here, and it being Kalamazoo's fault that the scheduled game was not played, it is expected that Kalamazoo will consent to come here this coming week end.

### HOW TO REGULATE HIGH BLOOD PRESSURE

Take SAN-YAK. It prevents a long-like hardening of the arteries at ages past 50 years. DR. BURNHAM'S SAN-YAK is the sure way to prevent paralysis and apoplexy. In its use you have prevented or cured kidney and bladder trouble. It is the greatest in use to prevent the clumsy, stiff joints and muscles and for neuritis and rheumatism and constipation. It has no parallel for the quality and results.

F. E. Gray, Alma, Michigan, the leading restaurant man, says: "I was sick from overwork and kidney trouble, had paralysis in my toes for several years, swelling of the feet and ankles. San-Yak has done wonders for me and for my wife also. I am willing to boost for a good cause."

L. B. Kehn, the tailor of Alma, says: "I was badly afflicted with rheumatism seven years ago. I found relief from the use of San-Yak and keep it in the house to protect my health."

P. C. Johnson, Masonic Home, Alma, says: "I was nearly dead from bladder and kidney trouble and rheumatism. San-Yak gave me quick relief and I had no trouble for more than one year."

E. Garrison, leading grocerman of Hudson, Michigan, suffered more than ten years with throat and stomach trouble. He says SAN-YAK is the only medicine that just suits the case, and if people would try it they could boost from good results.

George Soper of Quincy, Michigan, says he has been an invalid since out of the hospital three years ago. "I could scarcely eat or walk. SAN-YAK has made a new man of me. I was broken out so I was not fit to be seen. SAN-YAK has cured the terrible sores in the flesh and I am free from rheumatism for the first time in years. I can do a nice day's work and not on the lag at the end of the day."

D. H. Jones, Homer, Michigan, says: "I was greatly troubled for several years with high blood pressure, short in breath, bad kidney and bladder trouble, dizzy and sick. San-Yak has done everything for me and my health is fine at 72 years; I can work with ease and comfort."

Mr. A. H. Blair, Homer, Michigan, writes: "Dear Doctor—Your San-Yak did everything for me for kidney and bladder trouble. I can rest at night without inconvenience."

We can tell you of more cures in Alma. Sold by Chas. Murphy, successor to Rhodes, Alma, Michigan.

La Grippe, coughs, violent and racking, eased and checked by Foley's Honey and Tar, the standard family cough medicine for many years. Contains no opiates. Sold everywhere in Alma.
